

NEW RAGE CYCLES

INSTALLATION INSTRUCTIONS

MV AGUSTA DRAGSTER 2019-PRESENT

SIDE MOUNT LICENSE PLATE

- 1 Remove patch plate to expose wiring harness and unplug connectors. (Picture 1)
- 2 Remove (3) stock bolts on hugger to slide off bike but retain the 2 stainless hex bolts. (Picture 2)
- 3 With provided black standoffs and M6x12 bolt, mount new side mount onto the bike, also using the 2 stock hex bolts. (Picture 3)
- 4 Plug in plate light connector and test.
- 5 Re-install patch plate
