

819700 Royal Enfield Himalayan Hugger Flap Extension Fitting Instructions

Kit includes:

1X Rubber Flap
2X '541000' Push Pin
2X M5 Washer

C819700
SLOA001
CRUB0010

This accessory is intended for use in conjunction with the Pyramid Royal Enfield Hugger (079700M).

- There are two hole centres marked on the reverse of the Pyramid Hugger (see Fig 1). Drill 6.5mm hole on these centres.
- Remove the push pins from the rivets and insert them into the 6.5mm holes from the outside face.
- Attach the rubber flap on the inside face.
- Press the M5 washers fully down the length of the rivet shank against the face of the rubber flap.
- Insert the rivet pins fully - press hard.
